MEMORANDUM FOR: Comptroller

SUBJECT : Project Personnel Performing  
Station Overhead Duties

1. Recently the Chief of Administration, Office of the Deputy Director (Plans), requested the transfer of certain positions from projects to station Table of Organization. This was based on the fact that the persons assigned to these positions are, in fact, performing station overhead duties rather than covert project duties.

2. Would you make a review of the presently approved projects and let me know whether, on the basis of information which you have available, there are other positions which you feel may be in this same category.

3. This information will be valuable in connection with a study presently being undertaken jointly by the Management Staff and Office of Personnel, dealing with the general Agency ceiling problem.
